Camille Becht creates exceptional cosmetics, born in the heart of Alsace.
Each treatment reveals the olfactory richness of local plants and the potency of natural active ingredients. Delicate textures and enveloping fragrances invite a deeply immersive sensory journey. Balancing tradition and innovation, the brand embodies a discreet, authentic, and mindful form of luxury. Formulated and manufactured in Alsace, the range respects the balance of both body and nature. It is developed within a rigorous framework inspired by ECOCERT standards. An art of skincare where every fragrance tells the story of a land and of a gesture.

OUR PARTNER BRAND

natureisfuture

The « **Nature is Future** » range by Phytodia Laboratories, plant science experts, specializes in the research and development of botanical extracts. These natural active ingredients are used in the formulation of organic, natural, and effective cosmetic products, containing plant extracts sourced from the Vosges and the Alsace regions of France.

IMPORTANT INFORMATION

- The durations indicated correspond to the actual treatment time. To ensure you fully benefit from this time, please arrive 10 minutes before your appointment. Any delay will result in an equivalent reduction of the treatment time.
- We have one treatment room equipped with a single treatment table. Therefore, duo treatments are always carried out one after the other.
- Any information regarding your health condition must be provided before the treatment via the dedicated form. In the event of missing or incorrect information, the treatment may be cancelled, and the standard cancellation policy will apply.
- Gentlemen: for facial treatments, it is recommended to shave at least a few hours in advance to avoid excessive skin sensitivity and ensure optimal comfort.
- For pregnant women, we offer a dedicated prenatal massage. Please inform the reception team at the time of booking.

CANCELLATION POLICY

- Free cancellation or modification up to 24 hours before the start of the treatment. (Please refer to the general terms and conditions of sale.)
- Any cancellation or modification made less than 24 hours before the appointment will result in the full charge of the treatment.

REGULATIONS

- The treatments provided are non-therapeutic and intended exclusively for wellness purposes, in accordance with French Law No. 2004-802.
